

# MUGS MATTERS

**HELLO folks!**

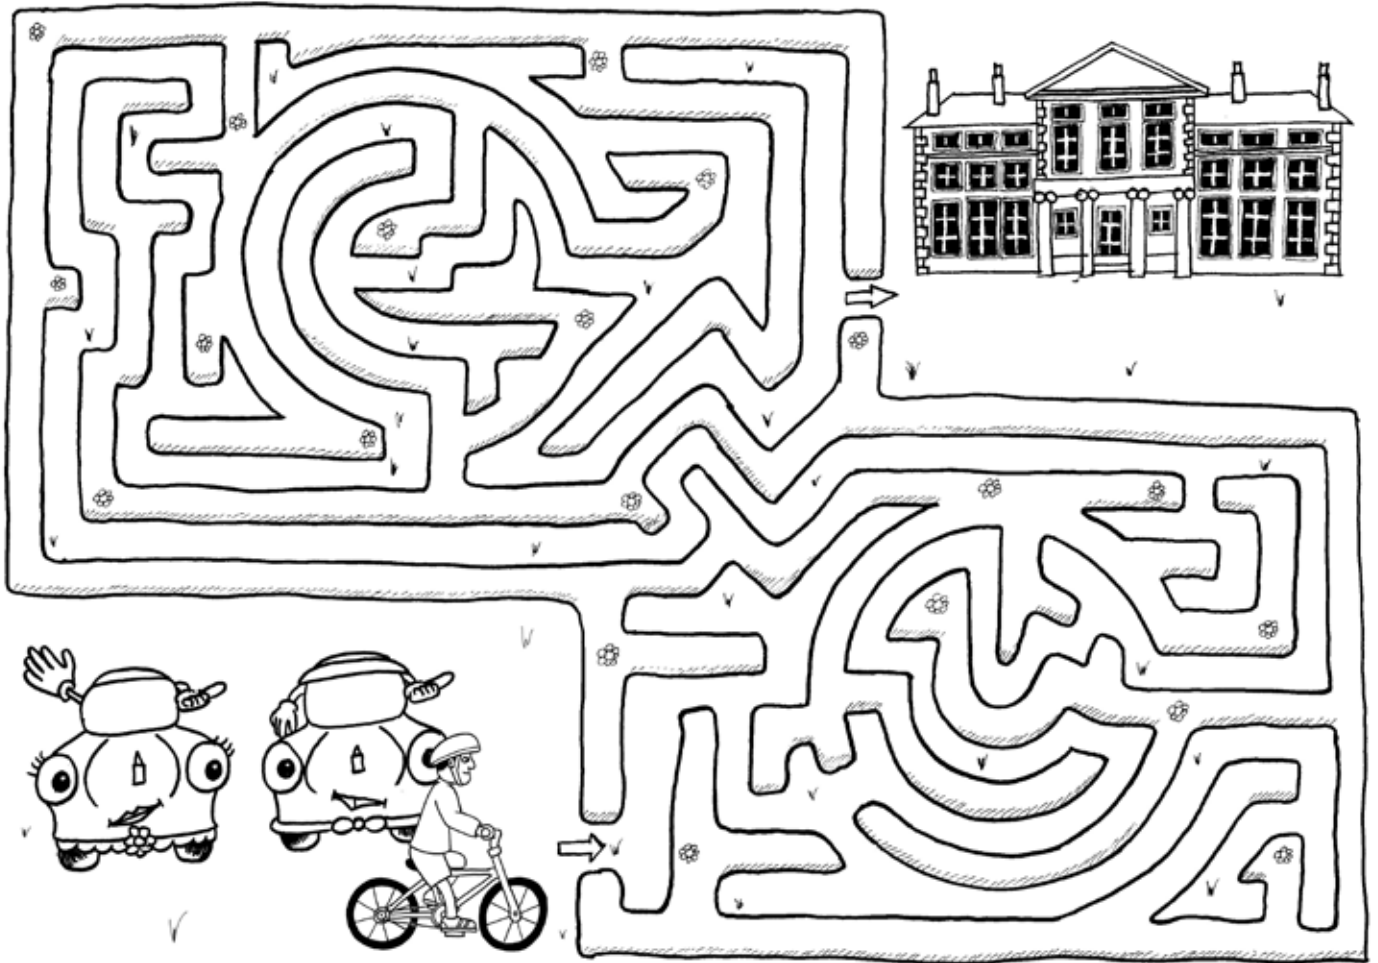

Phew! Have we had a good summer or have we had a good summer!

It's been party mad in the **Mug** and **Meg** garage. We've had fun celebrating **The Queen's Jubilee** and then had a glorious summer of lazing about and enjoying ourselves, like the daft Minors we are.

We decided this weekend to pop down and see our posh chums who live in a very grand stately home. They have a magnificent maze in their back garden and we thought it would be grand to have a go and see if we could find our way around it.

But we thought it would be more fun if we did it tandem style and so we hitched a ride on the back of our wee pals **Ruaridh** and **Flossie's** new fabulous bike which has a great tow bar on the end of it.

We had so much fun that our pal **Michael "Clumsy Pickle" Barnes** decided to draw a cartoon of us to use for today's competition below, so we hope you will have a go. And why not send your summer stories in via **Rebecca.hay@mmoc.org.uk** and you might win a wee prize. **MUG**

## COMPETITION

**Yes me lady, no me lady, three bags full me lady. Oops, pardon us folks, but Meg and I are getting into a bit of Upstairs Downstairs.**

What's that? Why a bit of fun with my "posh" chums **Harry and Henrietta, the Convertible Couple**, who live in a scrumptious stately home in the deep, deep countryside.

They have created this magnificent maze for the summer and invited us along to see if we could work our way around it.

To make it extra fun, we were allowed to hitch on the back of a bike and we had a wheely great time!

Our pal **Michael "Clumsy Pickle" Barnes** came along to watch us in action and drew this lovely cartoon for today's competition.

All you have to do is put your brain into gear and work your way around the maze. And then you can give it a splash of colour and glitter too (only the posh gold and silver though...)

It's just for fun, but we have lots of space on our garage wall if you fancy sending it to us, there may be even a lovely wee prize in it for you.

Send it today! via **Rebecca.hay@mmoc.org.uk**

# COMPETITION CORNER

**As you will now have gathered, Meg and I are firm fans of stately homes. Well why not, we love a bit of class!**

We thought we would treat you to a selection of our favourites, so check out the pictures, they are fabulous, aren't they?

And who wouldn't want to live in one? We just wouldn't want to pay the electricity bill... Anyway to keep the theme going, why not have a crack at the wordsearch, which is themed on housekeeping, something you will have to do a lot of in stately homes, no doubt.

Then why not send it in to us via **Rebecca.hay@mmoc.org.uk** and before you know it, a wee prize might end up on your doorstep, just hope it's not a feather duster...
