

MUGS MATTERS

HELLO FOLKS!

Marvellous Meg and I have been watching our weight over the last few weeks in preparation for some real Easter egg scoffing.

Yes folks, it's that time of the year again, when we are in chocolate heaven and we chomp until our tyres pop.

We are so excited to know that the **Easter bunny** will be hopping along to see us, well we thought he was coming.

But our pal **Michael "Clumsy Pickle" Barnes** spotted the wee fluff going around in circles in the garden as he tried to find the garage.

Clumsy was so taken with the bunny, that he drew this fine cartoon and Meg and I decided it would be ideal for today's competition below.

As always, it's just for fun, but we hope you can make your way around the maze and get those eggs to us before **Easter Sunday**.

You can always email your Easter egg fun moments in to **Rebecca.hay@mmoc.org.uk** and you might even win a wee prize. **MUG**

COMPETITION

Meg and I were so eggs-ited when we knew it was nearly Easter.

For weeks, we had been hitting the treadmill and losing those pounds so we could make room for some chocolate delights.

But as always seems to happen to us, there was a problem with delivery. The **Easter bunny** has a bit of a problem, in that he was in such a rush to reach our garage, that he took the wrong turn and before he knew it, he was stuck inside a great big maze.

And could he get out, no, no, no! and now all we can do is see our eggs from a distance and smell the chocolate, but we want to taste some and taste it now!

My old mucker **Michael "Clumsy Pickle" Barnes** has drawn a fantastic cartoon to show you just what the problem is and we hope you will help the bunny out of the maze.

Once you have worked it out, then unwrap an **Easter egg** and wrap your entry around it as we would love to see it.

It's all just for fun as usual, but but we have lots of space on our garage wall if you fancy sending it to us, there may be even a lovely wee prize in it for you. Send in your efforts via **Rebecca.hay@mmoc.org.uk**

If you can tear yourself away from the chocolate eggs for five minutes – then why not dig out your pens and start colouring in this cute chick.

He really needs some bright colours and glitter to get him in the **Easter spirit** and it's nice to be doing something other than chomping!

So get colouring and designing and maybe give the finished product to your mum and dad on **Easter Sunday** or you could send it over to us, just for fun, via **Rebecca.hay@mmoc.org.uk** and before you know it, a wee prize might end up on your doorstep, just hope it's not a cracker!

MUG MIRTH

Well there are some eggs-ellent jokes today to keep you laughing this **Easter**. Do you know any better? Then why not send in some of your own in, via **Rebecca.hay@mmoc.org.uk**
