

# MUGS MATTERS

**HELLO folks!**

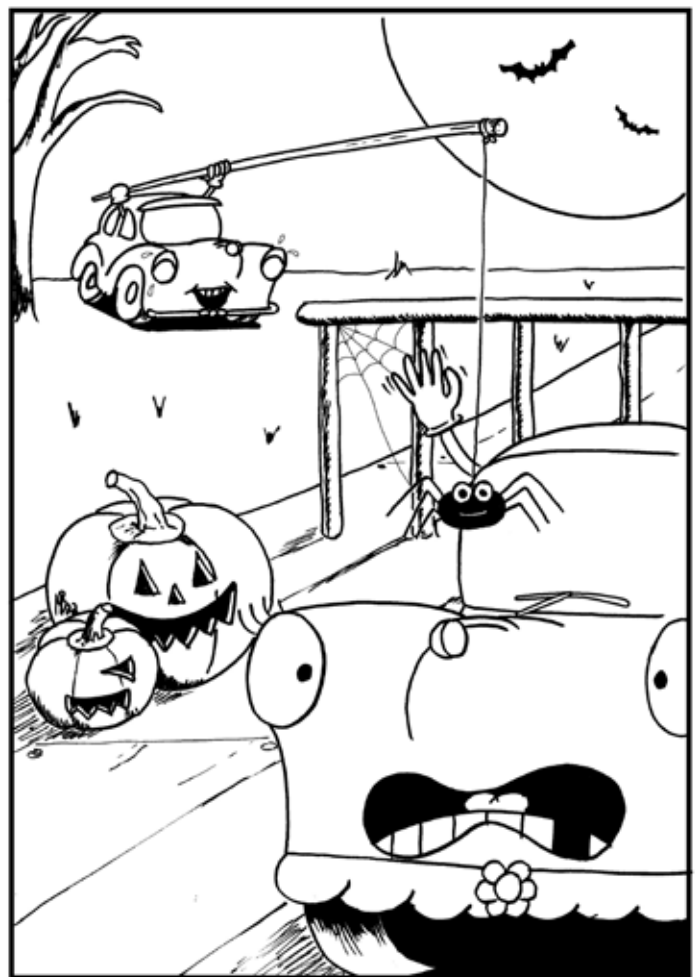

Spooky, spooky, spooky! Yes folks it's that time of the year we all know and love when **Halloween** meets **Bonfire Night** and we just have fun all the way.

Meg and I have decided to hold a terrifying ball this year and so we have been testing out some spook-tacular cocktails for everyone to enjoy.

From blood red slupers to fang-tastically green and slimy drinks, we have had a lot of fun testing these delights out and we are sure our party-goers will love them too.

We have also decorated the garage and found a few friendly spiders in there too and so it is going to be a great start to the autumn celebrations.

We had so much fun that our pal **Michael "Clumsy Pickle" Barnes** decided to draw a cartoon of us to use for today's competition below, so we hope you will have a go. And why not send your spooky stories in via **Rebecca.hay@mmoc.org.uk** and you might win a wee prize. **MUG**

## COMPETITION

**My old china Meg is cackling like a good un today.**

The daft dot has been in the kitchen concocting potions for our **Halloween** party and I can tell you there has been some strange smells coming out of there!

Meanwhile, I have been busy decorating the garage for the party to make sure it looks really scary. Our arty pal **Michael Barnes, aka Clumsy Pickle** was on hand to test the cocktails and after having a few too many, he came up with today's excellent piece of artwork.

All you have to do to today is look at the cartoon and spot the differences in it There are 10 of the little beauties and they are quite easy to spot.

So, why not slam your fangs in, get your warts on your cheeks fluffed up and get cracking. And if you are feeling fab, why not colour the artwork in and use some glitter on it too?

It's all for fun, but if you feel like sending it in, our garage wall awaits, so send it today!, via **Rebecca.hay@mmoc.org.uk**

**Check your answers on page 3!**

All this talk of Halloween has conjured up some fascinating and spooky words in the Mug garage.

And Meg and I find a lot of them are spine chilling and terrifying. So much so that we have jotted them down and got them ready in a special spooky wordsearch for you all to have fun with today.

Just simply look at the wordsearch and find the words below, it's as easy as finding a ghost in a cupboard and once you have done it, you could send it in to us via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk) and before you know it, a wee prize might end up on your doorstep, just hope it's not a mouldy old wart...
