

MUGS MATTERS

HELLO FOLKS!

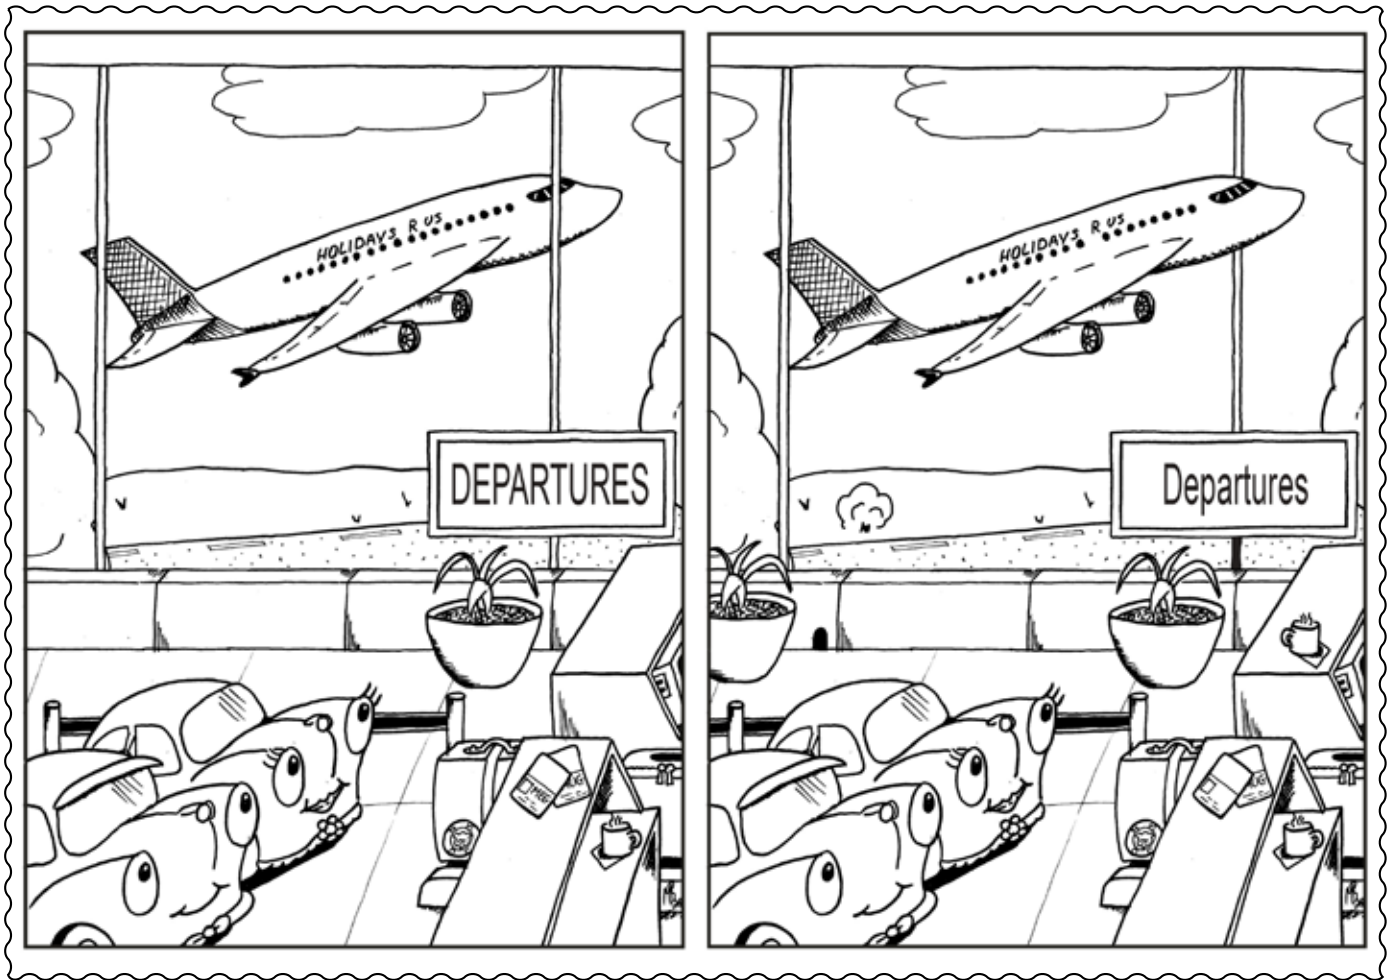

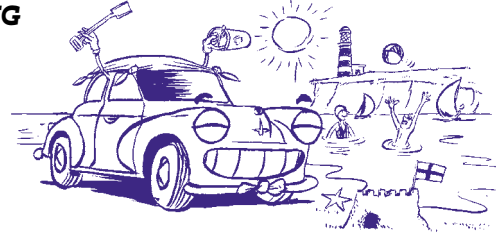

Rocking and rolling with my old mucker **Meg** this month folks. Yes at this time of the year, there is only one place to be and that is at a music festival.

And boy, this year we are going for it big style and having some real good fun listening to tunes and enjoying the vibes. Our old mucker **Michael "Clumsy Pickle" Barnes** joined us on our road trip and hey he had a real good time too.

And if you want to see just how much, then check out the competition corner as below.

What are all you Moggy enthusiasts up to this summer? Meg and I would be really happy to hear, so why not email your fun moments in to **Rebecca.hay@mmoc.org.uk** and you might even win a wee prize.

MUG

COMPETITION

Excitement is building up in the garage as Meg and I get ready to take off for a musical adventure.

We are off to watch some tunes abroad, so first things, first, we are at the airport and boy are we ready for some fun.

And we have brought Michael Clumsy Pickle along to sketch us before take off.

As you can see, we are raring to go and so is the Pickle. So much so, that he drew this fabulous spot the difference cartoon for today's competition, which as usual, is just for fun!

It shows Meg and I in great spirits having some real old fun, so you do too and maybe send in your efforts and we can pin them to our garage wall and make it look beautiful.

It's all just for fun as usual, but but we have lots of space on our garage wall if you fancy sending the finished product to us. Send in your efforts via **Rebecca.hay@mmoc.org.uk**

★ YOU CAN CHECK YOUR 'SPOT THE DIFFERENCE' ON PAGE 3! ★

COMPETITION CORNER

Keeping that musical theme going for the teens with this fabulously tricky wordsearch.

Take a look and find the instruments and then test your knowledge by marrying them up with the places they really belong.

It's a great way of learning while having a great time and as always, it's all for fun,

but you could send it over to us, via Rebecca.hay@mmoc.org.uk and before you know it, a wee prize might end up on your doorstep, just hope it's not lots of double basses and pianos!
