

# MUGS MATTERS

**HELLO folks!**

Well the time has certainly zoomed past for **Meg** and I and we have long forgotten those cold and dark nights and are enjoying some lovely days and light nights.

It is so good to throw off those chilly shivers and be nice and warm again and the sun always brings out the best in us and especially Meg.

She is like a different lady when the sun is out, happy and giggly and we are looking forward to a summer of fun visiting as many branch rallies as we can muster.

So make sure you keep an eye out for us and if you do see us, hoot that horn!

Don't forget to keep on writing to us via **Rebecca.hay@mmoc.org.uk**

## COMPETITION CORNER

**ZOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!**

- tee hee, what fun we are all having today.

Our pals **Ruaridh** and **Flossie** have treated us to some fast moves and when I say fast, I mean fast!

We are having a go at **Formula One** racing and it is real fun, I just love it. Infact I am now thinking of having my engine souped up so I can go fast all the time.

What do you think? Of course Meg has to take it a step too far and cause mayhem. She decided that the track was not fast enough for her and so she jumped onto the black run, ie the fastest of them all.

The only think is, she is now lost and can't find her way out and everyone is way too fast for little old me to even try to go onto the track.

So I need your help again folks. **Peter Rigg the Artist** has drawn a special cartoon of us in action and it has a maze on it. All you have to do is follow that maze to help Meg.

Its just for fun, but if you are fast enough and email it in via **Rebecca.hay@mmoc.org.uk**, then Meg may pay for you to have a shot at Formula One too!

# COMPETITION CORNER

Hey hey - Meg and I are just loving this speed thing, loving it! We have really got the **Formula One bug** and are having great fun at the race track.

We love it so much, we think we might just take up the sport and have some real fun. We really know our stuff too now and spent much of our day inside the museum brushing up on past winners.

It was so much fun, that we thought we would test your knowledge too and so for today's competition, which is just for fun, you need to look at the photographs and work out which winner is which.

Just incase you get stuck, the answers are at the bottom. Good luck and if you fancy sending in photographs of yourselves in your Moggies, send via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk) and you might get a wee prize or two.

Answers: 1 Lewis Hamilton, 2 Ayrton Senna, 3 Michael Schumacher, 4 David Coulthard, 5 James Hunt, 6 Nicky Lauder.

## MUG MIRTH
