

# MUGS MATTERS

HELLO folks!

Autumn is having a ball this year and so are **Meg** and I! We just love this time of the year when we can drive through the golden leaves and play conkers with our bonnets.

Who would have known that a couple of old **Moggies** like us could have so much fun. And classic fun at that.

November and December are always packed with lots of things to do and see from bonfires to good old Christmas and it gives Meg and I a chance to get up to mischief.

We bet you lot enjoy a bit of silliness now and again and we would love to hear from you, so why not send in your tales via **Rebecca.hay@mmoc.org.uk** and who knows you may win a wee prize.

## COMPETITION CORNER

Well there always has to be someone to spoil our fun, doesn't there?

And poor old **Meg** have really got our bonnets full today, I can tell you. Why? Because **Father Christmas** thought he would get some rest in before the big day and so he sent his elves down to the garage for a while.

Meg and I were struggling to keep them entertained (they are sooooo naughty!) and so we thought we would take them to see the big man's grotto and all that is inside for Christmas.

What a mistake that proved to be. Why? Because the naughty nits took it upon themselves to hide all the Christmas presents they had wrapped up.

And now Meg and I are in a spin, because we need to find them before Father Christmas comes back. We enlisted the help of our pal Peter Rigg and he drew this great 'find the present' picture for you to all have some fun with.

As you can see, it's pretty cool and you can see first hand what the elves have done.

So why not have some fun and see if you can find the presents and then email it in for Meg and I to see, via **Rebecca.hay@mmoc.org.uk**,

# COMPETITION CORNER

Now autumn is here, it is getting a wee bit chilly under the bonnet and so Meg and I have decided to spend more time in the garage.

But that can get all a bit too boring for us, after all we are an active pair, so we need to have something to occupy our time. And what better than a good old wordsearch to keep

the engine ticking over. As they say, when you get older, you need to keep being active. It was good fun spotting the words and we enjoyed ourselves so much, we thought you might like to have a go too.

It's topical and all about autumn, so why not have a go and see if you can find all the words, you never know, you may learn something!

Good luck and email it in for **Meg** and I to see, via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)
