

# 2022 National Rally

The 2022 MMOC National Rally is at Kelmarsh Hall in Northamptonshire, NN6 9LY again. It will happen over the weekend of 24-26 June.

Kelmarsh Hall offers everything that you would want in an MMOC event with lots of interesting things to do locally. Our plans for a wonderfully relaxed event are progressing well and this year we are being joined by the Landcrab Club and other groups from the Morris Vehicle Association. We are also celebrating 20 years since the National Rally team was formed at Harewood House in 2001. Camping opens Friday 24 at 12-midday. Showers and toilets will be available over the weekend.

## Saturday Night Party

Come and join in the fun on Saturday night! Back by popular demand is *Funk and Soul*, a 13-piece live band, singing '80s Thriller music until 11.30pm. Tickets on first come first serve basis.

## Branch Avenue

The theme for Branch Avenue this year is going to be *Heartbeat/The Royal TV shows*. It's up to you guys and girls how you wish to design your Branch Avenue plots around this theme but knowing how creative you all are it will give you plenty of scope as most of your Moggies are already part of that era!

Plots are the usual 10x10m and this gives space for a gazebo and cars. Of course, if you don't wish to follow the theme and just want somewhere to showcase your branch and what you offer to your existing members, with the hope of attracting new ones too, this is the place to do it! Essentially whatever way you do, it's your choice as it's the taking part that matters.

I have recently sent all branch contacts a sample judging form so that you get a flavour of what our independent judges will be looking out for. There are awards for both themed and non-themed branch stands. Some branches are already booked in and it would be helpful to know if you wish to display no later than June 12, to give our rally team a plan to work from. It is all just for fun so get your 'thinking caps' on.
