

# MUGS MATTERS

**HELLO FOLKS!**

Summer's here and the sun is out. Well it has been shining here for a few months here in **Mug** and **Meg** land.

And we couldn't be more happier! Means we can get out and enjoy some hot weather on our wheels and trims and keep the old engines ticking over.

There's nothing better than going for a good old spin and having the air whizz through your bumper gate and side windows.

We have been having so much fun, that we decided to nip down to the beach to shake our tush and enjoy some summer cocktails.

And what fun we had, drinking lots of delicious drinks which had us feeling all happy and sparkly. It would be great to know what fun you have all been up to.

Why not drop Meg and I a line at the garage and we will read all about it. Who knows, we might even send you a wee prize. So, don't forget to keep on writing to us via **Rebecca.hay@mmoc.org.uk** **MUG**

## COMPETITION

**Ooo we do love a cocktail and the more colourful and jazzy, the better!**

**Meg** and are down the beach and on the promenade enjoying some lovely jubbly drinks to keep us cool in all this hot weather.

We have come up some real bobby dazzlers and they taste just sensational. Infact, they are so tasty, that our pal, **Michael Clumsy Pickle** turned up out of the blue and joined in the jollies.

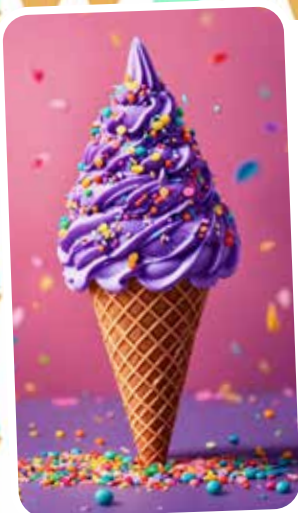

And what fun we had, enjoying the sand and the surf and a few wee tipples (non alcoholic of course, as we were driving).

Clumsy was so impressed with us, that he decided to draw this fabulous sketch of Meg and I have a really good time.

And we would just love to see the cartoon all brightened up and on our garage walls. So why not, dig out your best pens and glitter and give the artwork a good brush up.

Its just for fun, but we would love to see what you colour. If you are fast enough and email it in via **Rebecca.hay@mmoc.org.uk**, then Meg may turn you into a lottery winner!

## I scream, you scream, we all scream for ice cream!

Yipee, the sun is out and that means **Meg** and I can indulge in some lovely home-made ice cream. We are lucky enough to have a fabulous parlour near us which serves just the best of the stuff.

And the flavours they serve are to simply die for. Mmm, we can taste them as we speak.

For today's fun competition, all we want you to do is to write in and tell us your best ice cream you have ever eaten. What was the flavour, where did you buy it from and of course, how many scoops did you have?!

Then email it in and with a photo holding one would be even better. So send your photos in and we might even send you a prize. Just ping over via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)

## MUG MIRTH

Giggle, giggle, let's wriggle. Let's have some funnies to laughs for the summer. If you can do better, then we would love to hear some funnies from you, so why not drop us a line with your best corksers via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)
